Connect with real leaders involved in next generation impact for synergy and support, encouragement and engagement. **Together we will explore the Tra-Digital Challenge: imparting the traditions of the faith to the digital generation.**

### Join emerging leaders from key denominations, churches and significant ministries in a strategic "Next Generations" gathering

- Engaging the now and next generations in a Jesus worldview
- Equipping the now and next generations for God-honoring, authentic Relationships—leading to a family legacy of Christ followers
- Empowering the now and next generations for relevant, significant spiritual awakenings

### Consider the Possibilities of:

- Young adults, students and children embracing the claims and lifestyle of Christ through the witness of peers who live and love as Jesus!
- Imparting faith to children and youth as parents are equipped by the church to become the primary disciplers of their children!
- Breakdowns of racial, social and status barriers as Christ's followers celebrate Jesus!
- Community transformation through increased expressions of "loving your neighbor" in service, compassion and unity.
